RECENT ADOPTIONS...

Candace and Kylan Schomaker look happy with their new kitty Apollo.

Banjo will have lots of fun with his playmates Emerson and Greyson Siddens.

Brandy Miller and Ryder seem pleased with their new family member Zodiac.

Piper was adopted by Phil and Stephanie (not pictured) Garcia.

OH, BABY, IT'S HOT OUTSIDE!

The hot days of summer can really heat up the sidewalks and pavements. That can burn and be very painful for your pet's paws.

You can avoid that by walking your pet early in the day, before the day heats things up, or you can allow your pet to walk on the grass beside the hot sidewalks and streets.

Don't forget to take plenty of water along for your pet, and take it easy on steamy days.
