The Clinton County Humane Society is hosting the annual “The Purrfect Pawty” Winter Dinner & Dance Fundraiser on March 10, 2012, at Aviston American Legion in Aviston, Illinois. At this time, we are accepting donations such as items, baskets and services for the silent and live auction that will take place that evening. Monetary donations will be accepted as well. All proceeds will go to Clinton County Humane Society.

Clinton County Humane Society, a 501(c) 3 charitable organization, was founded in late 2008 by a group of Clinton County citizens who share a mutual love for the abused, neglected and homeless animals of our area. We are committed to preventing cruelty, improving domestic animals’ lives and educate the public. Among our goals, is to:

- Provide a temporary foster home for these animals until a permanent placement is found.
- Provide medical treatment that is feasible.
- Promote animal welfare by educating citizens of all ages in our community on the importance of proper animal care, spay/neuter programs and responsible ownership of an animal by offering programs to daycare facilities, elementary schools, scouts, assistant living centers and others.

We do not receive funding assistance from city, county or state government. We are totally dependent upon volunteers, membership dues, donations and fundraisers to operate successfully, therefore any support you can give CCHS, would be most appreciated. No donation is too small.

To make a donation, please contact us by Wednesday, March 7, 2012. When making a donation, please include the donation sheet to ensure proper recognition. All donors will be recognized in the local paper after the event. Donations must be received by February 29 to be recognized in the paper the week before the event as well. Drop off locations include Plant Land in Breese or Kreke & Associates in Bartelso. Contact any of us for questions or to arrange pickup/drop off if necessary.
